RE: Cedar Chemical Superfund Site, West Helena, AR  
Tyco Response to EPA's Special Notice Letter

Gentlemen:

I am counsel for Tyco International and its subsidiaries (Tyco) regarding the Cedar Chemical Corporation Superfund Site, West Helena, Phillips County, AR (Cedar Site.) Thank you for the extension of time until March 3, 2014 to respond to the Special Notice Letter regarding Cedar sent to Tyco by EPA.

While Tyco does not necessarily agree with all of the information and allegations contained in the Special Notice Letter and attachments regarding Tyco's or its predecessors' involvement at the Site or the types and extent of certain contamination at the Site, Tyco agrees to enter into good faith negotiations with EPA regarding potential performance or financing of a Remedial Investigation and Feasibility Study at the Site.

Please note that this agreement to negotiate in good faith should in no way be construed as an admission or acknowledgment of liability on the part of Tyco or any of its predecessors regarding the extent of its involvement and types and extent of contamination at the Site.

Please send any future correspondence on this matter to me and to the following:

Mr. Stuart Rixman  
Manager, EHS & Remediation  
Tyco International

Princeton, NJ 08540  
Ph: [609.216.0130](tel:609.216.0130)  
[srixman@tyco.com](mailto:srixman@tyco.com)

We look forward to working with you on this matter. If any questions, please do not hesitate to call me.

Best regards,
